Choose the right plan for you

Whether you're looking for temporary coverage or a longer-term solution, we'll help you choose the plan that's right for you. To be eligible for the Health and Dental Choice A or if you wish to add optional dental coverage to Health Choice B/C plans, you must have had dental coverage under your workplace plan or your retiree group plan.

Health and Dental Choice A: A dependable solution that helps protect you and your family for core medical, vision and dental expenses at an affordable cost.

Health Choice B: An enhanced plan that provides expanded medical coverage for you and your family, including emergency travel medical and optional dental.

Health Choice C: A complete solution if you and your family need medical, emergency travel medical and optional dental coverage with higher annual and lifetime coverage maximums.

The coverage maximums listed below are for each insured person and per calendar year unless otherwise stated. A calendar year is from January 1 to December 31. For maximums with a multi-year period (e.g. every two years), the period begins on the day you incur the first expense under that maximum. This coverage doesn't cover expenses paid for by government-sponsored health and drug plans.

What you need to know

Am I eligible for Health Coverage Choice?

To be eligible, you must have been enrolled in a workplace or retiree group benefits plan within the past 60 days. Your spouse may also apply if they were enrolled in your workplace or retiree group benefits plan and are age 18 to 74.

Coverage is also available for your dependent children. Your children and your spouse's children (other than foster children) are eligible dependents if they are not married or in any other formal union recognized by law, and are under age 21. If your child is a full-time student at an educational institution recognized under the Income Tax Act (Canada), they are an eligible dependent until the age of 25. They must also be entirely dependent on you for financial support.

Your child is also an eligible dependent if:

- They are physically or mentally unable to support themselves.
- They became so while they depended on you for financial support under one of the two age requirements above.

When will my coverage begin?

Your coverage will begin the day after your workplace or retiree group coverage ends.

What is the 10-day free look period?

If you look over your new policy and decide it doesn't meet your needs, you can cancel it with no obligation within 10 days of receiving it. We'll refund your money.

Régie de l'assurance maladie du Québec (RAMQ) – for residents of Quebec

It's mandatory for residents of Quebec to enrol for prescription drug coverage. Unless you're eligible for drug coverage through a private plan or a professional association (for example, your spouse's group benefit plan), you must enrol with RAMQ. To be eligible for any individual health plan such as Health Coverage Choice, you must be enrolled in RAMQ or another group plan that offers prescription drug coverage. That plan will pay drug expenses first. To claim any unpaid portion of your drug expenses at the pharmacy, you must send us the receipts by mail.

Visit ramq.gouv.qc.ca > **Citizens** > **Prescription drug insurance** or call **1-800-561-9749**.

When can I cancel my policy?

You may cancel your policy at any time.

When will my coverage end?

Your coverage will end on the earliest of:

- 31 days after the premium due date, if you fail to make a payment;
- the last day of the month we receive your written request to end your coverage;
- the date you are no longer a resident of Canada;
- the date you are no longer covered by a provincial or territorial government health care plan; or
- the date of your death.

Spouse and/or dependent child coverage will end on the earliest of:

- the date of your and your spouse's death, which ever comes last;
- 31 days after the premium due date, if you fail to make a payment;
- the last day of the month we receive your written request to end your coverage;
- the date your eligible spouse and/or dependent child no longer satisfies the eligibility requirements;
- the date your spouse and/or dependent child is no longer a resident of Canada; or
- the date your spouse and/or dependent child is no longer covered by a provincial or territorial government health care plan.

The emergency travel insurance coverage ends at age 80.

Waiting period for restorative dental:

An insured person becomes eligible for restorative dental coverage one year after the start date of the policy.

Will my premiums change over time?

Premiums vary by age and by how much provincial and territorial health plans cover. This means your premium reflects the age of you, your spouse and children and in which province or territory you live. We may change your premium from time to time for a variety of reasons, including our claims experience for insured persons with similar policies, and our expenses. If we change your premium, we will give you at least 30 days written notice before the change is made.

How will I be billed?

We charge premiums monthly. If there's an amount owing once we process your application, we'll charge your first bill to you as soon as possible. After that, we'll charge you for all following premiums on the 1st of each month.

Consequences for consumer non-disclosure or misstatements

It's important to give us accurate information when you apply. Otherwise, we could cancel your policy or deny any claims.

If I apply as a couple or family, can each person choose a different plan?

Everyone must choose the same plan when you apply for couple or family coverage.

How much does Health Coverage Choice cost?

We can help you choose the Health Coverage Choice plan that fits your budget. We base your monthly premiums on:

- your age each year on the date your policy started; and
- the province or territory you live in.

We can give you a quote over the phone and help you choose the right plan for you. Just give us a call at **1-877-893-9893** for more details. Or you can visit sunlife.ca/choicesproducts to get a quote or apply online.

How can I pay my premiums?

Paying for your policy is easy and convenient. You can pay by credit card or by setting up a pre-authorized payment from your bank account.

Is there anything that Health Coverage Choice doesn't cover?

Health Coverage Choices doesn't reimburse for:

- expenses that we're not legally allowed to pay;
- services or items that we consider cosmetic;
- services or items that we consider experimental, for delivery, transportation and administration charges;
- services and products that are self-prescribed or are rendered or prescribed by a person who is ordinarily a resident in the insured person's home or who is related to the insured person by blood or marriage;
- services or supplies payable or available (regardless of any waiting list) under any government-sponsored plan or program, except as described in *Integration with government programs* unless explicitly listed as covered under this benefit;
- expenses for services or supplies that aren't approved by Health Canada or other government regulatory body for the general public;
- services or supplies that aren't usually provided to treat an illness, including experimental or investigational treatments. Experimental or investigational treatments mean treatments that are not approved by Health Canada or other government regulatory body for the general public;
- services or supplies that don't qualify as medical expenses under the *Income Tax Act (Canada)*;
- elective (non-emergency) medical treatment or surgery which is received or performed out of the province where the insured person lives, and
- any other exclusions or limitations that are specifically listed in the Health Coverage Choice policy.

We will not pay benefits when the claim is for an illness resulting from:

- hostile action of any armed forces, insurrection or participation in a riot or civil commotion, and
- participation in a criminal offence.
