

How to set up pre-authorized withdrawals for your plan*

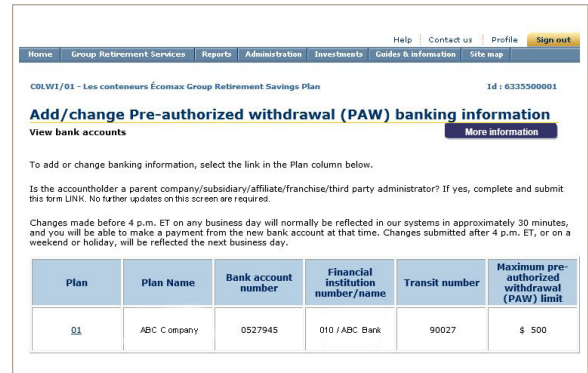

STEP 1 - Sign in to the Plan Sponsor Services website

- Sign in to the Plan Sponsor Services website using your access ID and password.
- To begin, select **Add/change banking information** from the **Administration** drop-down menu.

STEP 2 - Add or change banking information

- Existing bank account information is displayed.
- To add a new bank account, change the bank account, or update the maximum pre-authorized withdrawal (PAW) limit that is associated with a plan, select the link in the **Plan** column.
- The **Maximum pre-authorized withdrawal (PAW) limit** column shows the maximum amount that Sun Life is authorized to withdraw in any given payment - if this column is blank, it means you have not set a maximum limit for the plan.

* If your payroll provider is sending contributions (remittance information and payments) to Sun Life Financial on your behalf, you do not need to set up pre-authorized withdrawal. Contact your Group Retirement Services representative for more details.

STEP 3 - Select from account update options

- Select the change you want to make under **Update bank account.**

The payment amounts will vary according to the direction of the Plan Sponsor or Employer. **Pre-notification of any withdrawal or change to the withdrawal amount that occurs as a result of a direct action on the part of the Plan Sponsor or Employer is not required.**

The Accountholder acknowledges that

- (ii) the financial institution noted below is not required to verify that a PAW has been issued
- (iii) the financial institution noted below is not required to verify that Sun Life has fulfilled the purpose for which the PAW was issued.

This agreement may be cancelled by the Accountholder at any time, by giving Sun Life 10 days' notice of the request to cancel. Revocation of this agreement does not terminate the contract that exists between the Plan Sponsor or Employer and Sun Life. The agreement applies only to the method of payment and does not otherwise have any bearing on the contract.

The Accountholder acknowledges certain recourse rights if any withdrawal does not comply with this agreement. For example, the Accountholder has the right to receive reimbursement for any pre-authorized withdrawal that is not authorized or is not consistent with this PAW agreement.
