Updates to Pre-Authorized Debit wording on enrolment forms

We've updated the Pre-Authorized Debit (PAD) wording on our **Member Level Billed (MLB)** and **My Health CHOICE – Extended Health Care and Dental Insurance** enrolment/application forms. These changes have been made in accordance with applicable regulatory requirements in order to provide more information and security to plan members who elect to pay premiums via PAD withdrawals from their bank accounts.

If you offer a **Member Level Billed** benefit or **My Health CHOICE- Extended Health Care and Dental Insurance** to your plan members, please recycle any enrolment/application forms you have in stock at your location. Your Sun Life Financial group representative can provide you with the new forms.

Please note: Processing of old MLB enrolment/application forms signed and dated **on or after March 1st, 2010** will be delayed, as members will need to sign an updated form with the new PAD wording before coverage can be issued.
