

Reminder: 'Get your claim on!' Campaign starts next week.

Two weeks ago we sent a [communication](#) about Sun Life's e-claims* awareness campaign. We want more plan members to know that online claims are an easy, fast and convenient way to get their claims payment in the bank quicker.

Please help spread the word about e-claims to your plan members.

About the 'Get your claim on!' campaign

The campaign runs between April 18 and June 19, 2011. Plan members will have a chance to win some great prizes.

Your plan members can learn more at www.sunlife.ca/getyourclaimon.

You can also win big!

If you help us promote the 'Get your claim on!' campaign, you'll have a chance to win a *HealthyRETURNS* program for your organization. [Here's how](#).
