

Sun Life to acquire Buffett & Company

We're pleased to let you know that on April 13, 2011, Sun Life announced that we have agreed to acquire Buffett & Company Worksite Wellness Inc., a leading health and wellness provider with a long relationship with Sun Life. The acquisition is subject to regulatory approval and customary closing conditions.

The wellness advantage

This strategic acquisition demonstrates Sun Life's commitment to bringing employee health and wellness to the forefront, and it means that our clients will enjoy the benefits of the most comprehensive, effective and flexible health and wellness offerings available in the Canadian group market.

Clients who already have our health and wellness offering, Healthy*RETURNS*, will not see any change in their relationship with us due to this acquisition.

We look forward to bringing more innovations in our health and wellness programs to you in the future.
