

# UNDERSTANDING my coverage

August 22, 2013

## You are *Simply Covered* with Sun Life

We are happy to tell you about the launch of Simply Covered\*, a great new interactive microsite that you can visit to find out more about your benefits plan and how to make it work best for you.

### Involved, interactive, informed

The Simply Covered microsite was created just for you. Its goals are to:

- help you learn about the true value of your benefits plan – in an easy to understand and interesting way; and
- show how you can make your plan work better for you, so it goes further to provide you with the coverage you need and want!

**Your plan is valuable. Get to know it.**

Understanding how to use your benefits plan at work effectively helps you and your family get the most value out of your plan and helps protect your plan's value and future affordability.

**Here are some things you can do:**

**Make informed prescription drug purchases to get more value out of your drug dollars.**

When it comes to appreciating your plan, **Mark H. of Ontario** sums it up nicely.

"I have a diabetic daughter. Without a doubt, if I did not have Sun Life behind me, life would be very different..."

Simply Covered is easy to follow, interesting and interactive. It uses videos, real life testimonials and challenges and quizzes so you can see how much you know about your benefits.

All the main health care benefits are covered in this microsite – medical, dental, disability, life insurance – as well as our online wellness centre.
