

**NOVEMBER IS DIABETES
AWARENESS MONTH**

Improve your workplace wellness by
offering these great programs!

Why make employees wait? Prevention can start in the workplace.

Did you know that 40% of Canadians are unaware of their risk for diabetes?*

The Canadian Diabetes Association estimates that 1 in 3 Canadians will be affected by diabetes or prediabetes by 2020.

This November, bring awareness of diabetes to your employees by offering a diabetes screening clinic.

Our screening program offers

- the Canada Health Agency CANRISK assessment to help identify risk for diabetes or prediabetes
- a confidential 1:1 personal health measures screening for diabetes and cardiovascular health

Talk to us today to learn how your organization could start with prevention.

Combine and save! Now, you can offer a diabetes screening and flu shot clinic for a special rate.
