Use the information in this section to help you decide what's right for you. You can read it on your own or give us a call to go over it together. We'll take as much time as you need to answer all your questions and help you make the right choice.

## Life insurance

You have two options available to replace your workplace life insurance coverage, depending on your needs. If replacing your life insurance is a temporary or long-term need, we have options for you. **My Life Choice** is a flexible, low-cost option when compared with our other life insurance products, if you don't mind answering health questions to apply. If you'd prefer not to answer any health questions, we can refer you to a Sun Life Financial advisor in your area to review your **guaranteed life insurance conversion** option. An advisor can also discuss other life insurance options to make sure you get the right coverage.

To find out which option is right for you, contact one of our financial services consultants at 1-877-893-9893, from 8 a.m. to 8 p.m. ET, Monday to Friday. You can also visit [sunlife.ca/choicesproducts](https://sunlife.ca/choicesproducts) to get a quote or apply online.

Here is a summary of our two life insurance options, but for full and complete product information please contact us, as exclusions and limitations may apply.

## Health insurance

Options for you, your spouse and your dependent children.

### Guaranteed life insurance conversion

When transferring your coverage, we use the start date from your workplace coverage for your new plan. It means that certain exclusions that normally apply to new plans, such as the moratorium period, will not restart. During the moratorium period, you are not eligible for a benefit payment if you're diagnosed with, or have signs or symptoms of, a covered condition. It continues for 90 days for benign brain tumour and cancer, and 1 year for Parkinson's disease. We'll also use the start date of your workplace coverage for the pre-existing condition exclusion.

You and your spouse must be age **18 to 65** (or 69 if that's the maximum under your former employer's plan).

Your dependent children can apply for their own coverage when they're no longer eligible under your Choices critical illness plan.

### My Life Choice

We help make it easy to keep health care and dental coverage for you and your family. If you're age 18 to 74, you can get a quote or apply online at [sunlife.ca/choicesproducts](https://sunlife.ca/choicesproducts) or over the phone with one of our financial services consultants **within 60 days** of the date your group coverage ends.

There's no medical exam and you can get coverage for you, your spouse and your dependent children. As well, your dependent children can apply for their own Health Coverage Choice when they're no longer eligible under your plan.

All covered persons must be residents of Canada and covered under their provincial or territorial health plan and drug insurance.

If you're a Quebec resident, you must enrol for prescription drug coverage with RAMQ when you leave your workplace plan, unless you're eligible for group coverage elsewhere. Health Coverage Choice doesn't take the place of a group health insurance plan providing prescription drug coverage and is second payer to comply with RAMQ. Visit [ramq.gouv.qc.ca](https://ramq.gouv.qc.ca) and select **Citizens ▶ Prescription drug insurance** or call 1-800-561-9749 for more details.

# Health Coverage Choice

We make it easy to replace health care and dental coverage for you and your family. If you're age 18-74, you have **60 days** after your workplace or retiree group coverage ends to replace it with Health Coverage Choice. You can: apply online at [sunlife.ca/choicesproducts](https://sunlife.ca/choicesproducts), or call us at 1-877-893-9893 Monday to Friday, 8 a.m. to 8 p.m. ET.

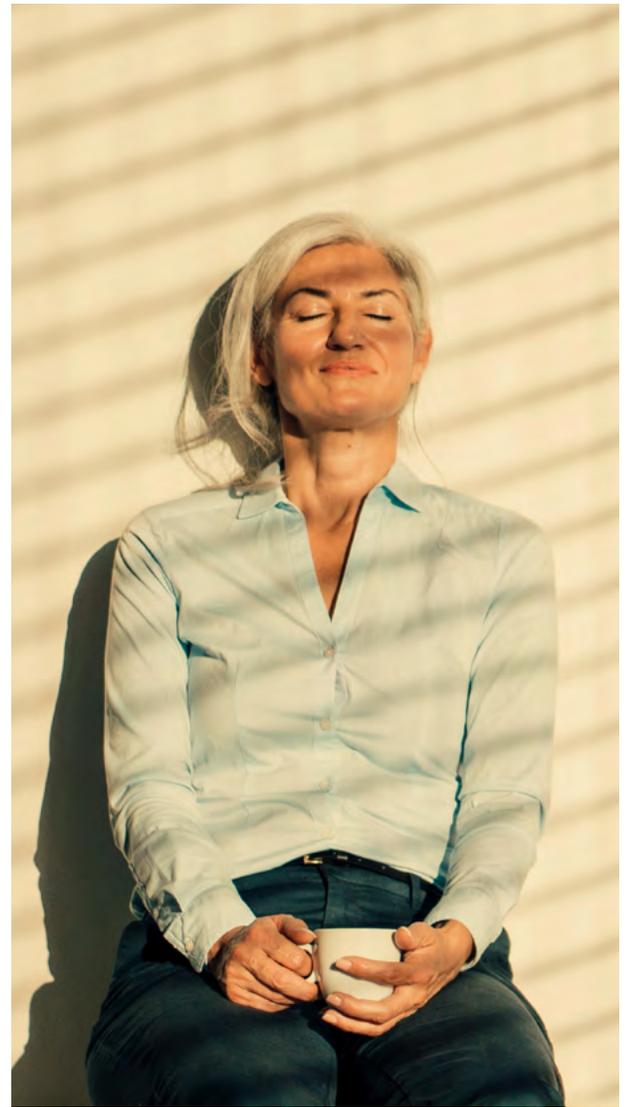

- There's no medical exam or health questions when you apply.
- You can get coverage for you, your spouse and dependent children.
- Your dependent children can also apply for their own coverage once they're no longer eligible under your plan due to their age or student status.

To be eligible, you must have been enrolled in a workplace or retiree group benefits plan within the past 60 days. For your spouse and dependent children to be eligible, they must have been covered under your workplace or retiree group plan. All covered persons must be residents of Canada and covered under their provincial or territorial health and drug insurance plan.

**Please note:** To be eligible for dental coverage, everyone on the application must have had dental coverage through your workplace plan or your retiree group plan.

The coverage maximums below are per insured person and per calendar year unless we state otherwise. A calendar year is January 1 to December 31. These plans don't cover expenses that government health and drug plans cover.

If you're in good health and don't mind answering a few more questions, you could benefit from lower rates with some of our other coverage options. Let us help you decide what products fit your situation best. Learn about other options by visiting [sunlife.ca/personalhealth](https://sunlife.ca/personalhealth), or by calling 1-877-893-9893.
