

# Understanding My Coverage

June 15, 2020

## Extending coverage for virtual services

Your health remains our top priority. We want to make it easier for you to see your health-care provider.

If your plan covers the practitioners listed below, you'll continue to have the same coverage as non-virtual services. We'll cover virtual services for appointments where you don't need in-person therapies. This means we're covering your claims for virtual services performed by:

- Audiologists
- Chiropodists
- Chiropractors
- Naturopaths
- Occupational Therapists
- Osteopaths
- Podiatrists
- Psychologists
- Psychotherapists
- Physiotherapists
- Registered Dieticians
- Social Workers
- Speech Therapists

Your practitioner must be in Canada for us to cover your claim.

We continue to review and assess all of our processes. We want to ensure we make it easier for you to continue on your health journey.

### How to make a virtual claim

When making a virtual service claim:

- Select the type of service
- Select the location of service
- For any virtual appointments, select "virtual visit" as the location of service
