

Lumino Health Virtual Care is here for your health-care needs.

We care about your health and well-being.

Lumino Health Virtual Care, from Sun Life, powered by Dialogue, gives you access to health-care professionals. Here is information on how Lumino Health Virtual Care can assist you and what we are able to treat. You can always reach out to us with any health-related questions, travel health, and health-care navigation.

Lumino Health Virtual Care can assist you with

- Your consultations at a time and place that works for you
- Receiving medication prescriptions and renewals, if medically indicated, and having them delivered to your doorstep free of charge
- Getting referrals to specialists or labs, as clinically recommended
- Receiving assistance in navigating the health-care system, such as finding you an appointment at a clinic should an in-person exam be necessary

Some common ailments we can evaluate or treat virtually

- Conditions such as sinus pain, headaches, cough or fever
- Dermatology conditions, such as skin rashes, hives or abrasions
- Minor emergencies, such as urinary tract infections, conjunctivitis or sinusitis
- Mental health questions, such as stress, anxiety or depression
