

Lumino Health Virtual Care, powered by Dialogue, is here for your health-care needs.

We care about your health and well-being.

Lumino Health Virtual Care, powered by Dialogue, gives you access to health-care professionals. Here is information on how Lumino Health Virtual Care can assist you and what we are able to treat. You can always reach out to us with any health-related questions, travel health, and health-care navigation.

Lumino Health Virtual Care can assist you with

- Your consultations at a time and place that works for you
- Receiving medication prescriptions and renewals for conditions that can be safely evaluated or treated through virtual care
- Getting referrals to specialists or labs, as clinically recommended
- Receiving assistance with navigating the health-care system, such as finding you an appointment at a clinic should an in-person exam be necessary

Some common ailments we can evaluate or treat virtually

- Certain conditions: sinus pain, headaches, cough, fever, vomiting or diarrhea
- Dermatology conditions: skin rashes, hives or abrasions
- Minor emergencies: urinary tract infections, conjunctivitis or sinusitis
- Mental health questions: stress, anxiety, fatigue or depression
