Keeping your family healthy with Lumino Health Virtual Care, powered by Dialogue

If you have any eligible dependents, they also have free and unlimited access to **Lumino Health Virtual Care**, powered by Dialogue. Be proactive and add or invite them to your account now. It only takes a minute.
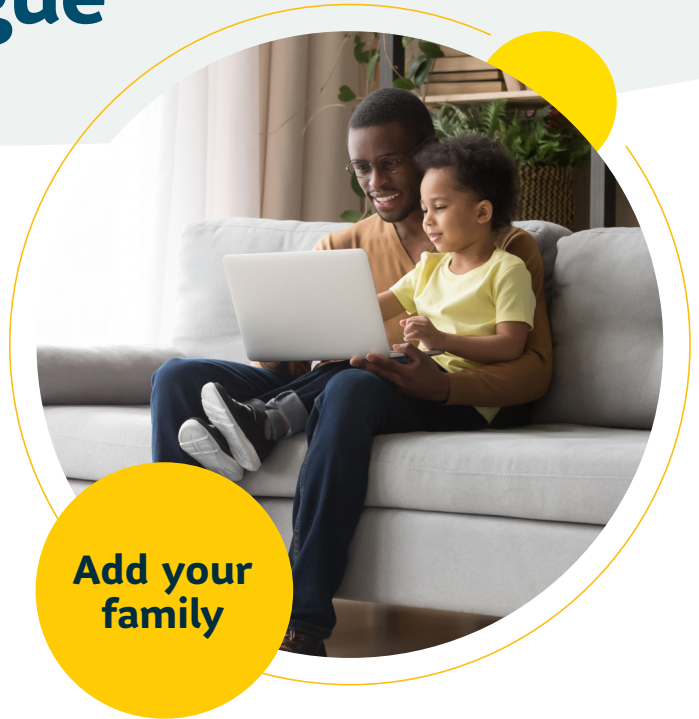

How to add an eligible dependent aged 14 and over

- Open the app and go to "Account"
- Click on "Family"
- Click on "Add adult (14+)"
- Enter their email address and click on "Send invite"
- Your spouse or child (14+) will receive a welcome email that will guide them through the process of setting up their own account

How to add a child under the age of 14

- Open the app and go to "Account"
- Click on "Family"
- Click on "Add child (0-13)"
- Fill out the child's information (including an ID card) and sign a consent form
- Start consulting for the child under your own account

Add your family
