

Your my Sun Life mobile app is getting even better!

We've redesigned your **my Sun Life mobile** app to make managing your health, wealth, and protection needs easier than ever before!

What's new for you:

Get the most out of your benefits

- File claims and check coverage with ease
- Easily access health resources within your plan
- Find all available services and coverage at a glance
- If you have a workplace savings plan you can easily make contributions

User-friendly design

- Quick action buttons to easily complete tasks
- New home tab offering a complete overview of your plan

Enhanced support

- Built-in chat feature for instant answers to your questions

This redesigned app puts the power of your benefits plan right at your fingertips, helping you make informed decisions about your health and financial future.

Download the app and experience the difference!
