## The benefit for you and your members

### Assuris Coverage

The account is backed by the financial strength of Sun Life Assurance Company of Canada, which is rated AA- or equivalent from most rating agencies. In the unlikely event that Sun Life defaults on its general account obligations, this account is eligible for coverage under Assuris for up to \$100,000 per member.

### No explicit fees

There are no explicit fees applicable to this account. Expenses and client servicing costs are fully reflected within the interest rate credited by the account.

### Competitive returns

Your plan members should never have negative returns in the Guaranteed Daily Interest Account. The returns on this account are likely to be competitive and are expected to have periods where it will outperform money market fund returns net of all fees going forward.
