

Sun Life Multi-Strategy Core Plus Segregated Fund Closure and Asset Transfer

November 28, 2025

Action may be required

You don't have to do anything as a result of this fund change. However, if you would like to move your money to a different fund other than the automatic replacement, please review your fund options.

On **February 18, 2026**, Sun Life will close the Sun Life Multi-Strategy Core Plus Segregated Fund (the discontinued fund). We'll transfer any money in – and any future contributions directed to – the discontinued fund to the replacement fund as listed below.

The manager of the fund (SLGI Asset Management) decided to close the discontinued fund.

How will this affect you?

On **February 18, 2026**, we'll transfer any money in – and any future contributions directed to – the discontinued fund to the replacement segregated fund listed above. If your plan does not offer the replacement fund, we'll automatically add it to the lineup before the asset transfer occurs on February 18, 2026.

The investment management fees for the replacement fund will be the same, or lower, than those for the discontinued fund.

When the change happens, you'll see a sale of the discontinued fund(s) and the purchase of the replacement fund(s) in your account. This change won't result in a taxable capital gain or loss, if your money is invested in a Registered plan.

If you have money in the discontinued fund within a Non-Registered (taxable) plan, **you may have a capital gain or loss when the transfer happens**. You must report capital gains or losses in your tax return for the 2026 tax year. Sun Life will provide the applicable tax slip(s) in early 2027. The tax slip(s) will reflect all income from your Non-Registered investments.

For more information on how capital gains can occur in segregated funds within Non-Registered plans, please read the article [here](#).

You can also move your money to any other funds offered in your plan. You can do so at any time before or after the transfer automatically takes place on **February 18, 2026**.
