

Let's decide how much to contribute to your workplace retirement savings plan

Contributing more money to your workplace plan every pay may not cost you as much as you think. Our **Payroll contribution calculator** on mysunlife.ca shows you how extra contributions can really add up, helping you save for the future.

Life's brighter under the sun

Group Retirement Services are provided by Sun Life Assurance Company of Canada, a member of the Sun Life group of companies.

The tool is easy to use, with three steps to complete:

01. My information

Enter your personal information and details about how much you're contributing today.

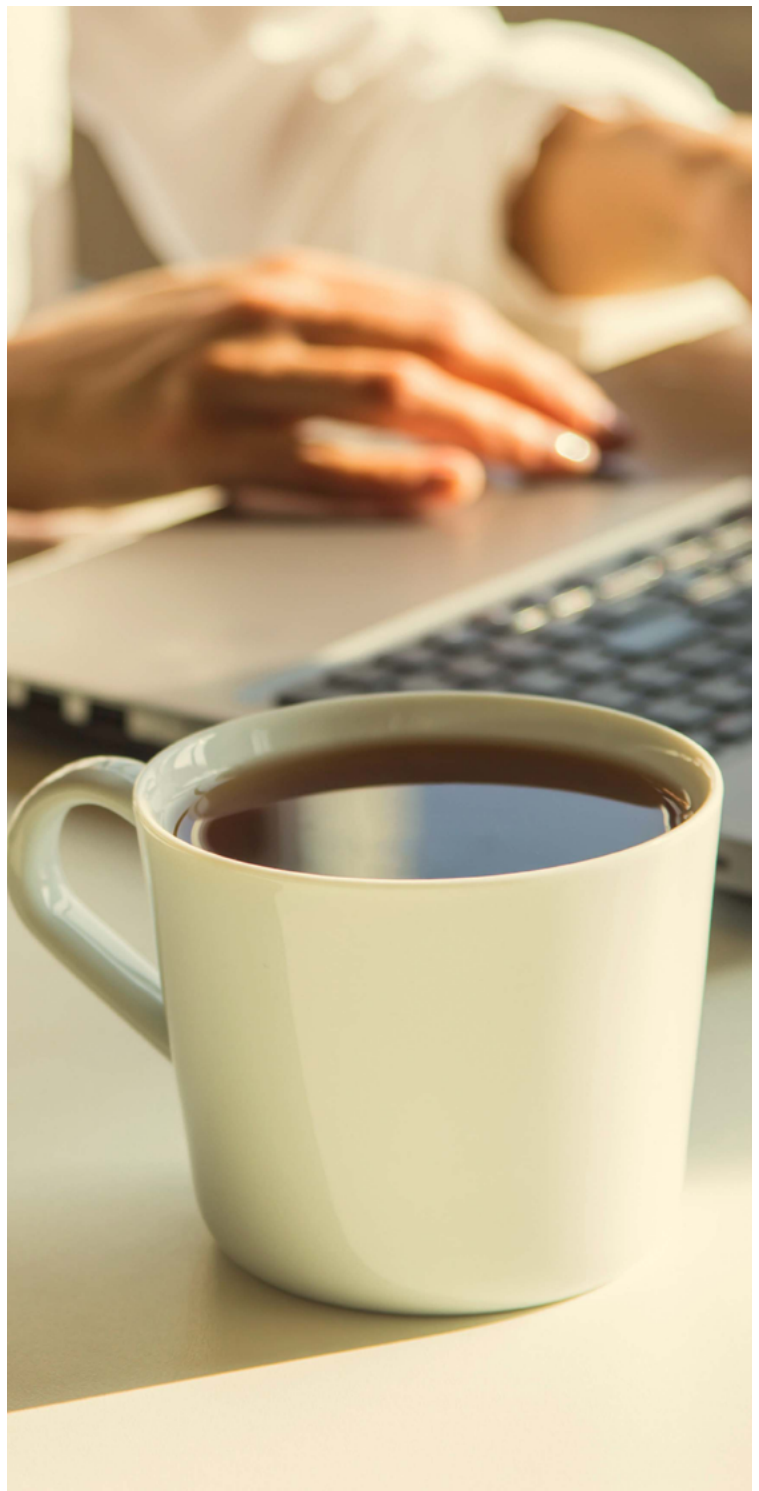

02. Increasing my contributions

Use the sliders to see how contributing more would affect your life.

03. My pay

As you increase your contributions, you can see how the immediate tax savings you get actually reduces the cost of your contributions. You can also see how that extra amount will grow your savings over the next five years.

Remember to keep personal contribution limits in mind when setting up your payroll contributions.
