5 FUNDS

- 5.1 **Delegation.** You delegate and Sun Life accepts the responsibility for selecting, monitoring and removing as appropriate the investment options for Your Plan in the manner and subject to terms set out below, in addition to the terms of the Policy or Policies.
- 5.2 **Investment Options.** The investment lineup is designed to be appropriate for a typical member-choice capital accumulation plan with a purpose of creating retirement savings. Sun Life may change the investment lineup from time to time.

The lineup is not customized for Your Plan.

The investment options are group insurance policies, which, in the case of non-Guaranteed Funds, vary in value based on investments held in Segregated Funds. These investments are typically made in pooled and mutual funds and they must be capable of meeting Sun Life's operational and legal requirements (e.g., daily trading, liquidity, qualified for trading in Canada).

5.3 **Default Fund.** Sun Life is responsible for choosing the default fund for Your Plan from among the choices offered by Sun Life for the SunAdvantage **my savings** RRSP and TFSA.

5.4 **SLGI as Manager.** If Sun Life has determined there should be an actively-managed investment option in an asset category of the lineup, You understand and agree that Sun Life Global Investments (Canada) Inc. (SLGI) manages such option unless the actively-managed option is managed by Sun Life itself or a third party. SLGI is an affiliate of Sun Life. By choosing the SunAdvantage **my savings** RRSP and TFSA, You are also acknowledging and agreeing that SLGI will act as the manager for any such actively-managed investment option and that Sun Life has disclosed to You the potential conflict of interest faced by Sun Life by appointing funds managed by its affiliate to the lineup.

SLGI will receive a fee for its fund management activities, which include selecting underlying funds for an investment option, determining appropriate allocation percentages for the underlying funds, allocating assets among the underlying funds, performing ongoing oversight of the underlying fund managers and reporting quarterly on fund performance. The fee is included in the investment management fee for the relevant investment option. SLGI is not a party to this Agreement and offers no independent opinion or advice about the suitability of any funds it manages for the lineup. SLGI retains the sole discretion to change the underlying funds.

In constructing an investment option, SLGI may select underlying funds managed by SLGI or affiliates of SLGI and Sun Life. Any such proprietary or affiliated underlying fund manager may also charge a fee for its management services.

5.5 **Sun Life as Manager.** For investment options managed by Sun Life, Sun Life will receive a fee for its fund management activities, which may include overseeing sub-advisors, selecting underlying funds for an investment option, determining appropriate allocation percentages for the underlying funds, allocating assets among the underlying funds, performing ongoing oversight of the underlying fund managers and reporting quarterly on fund performance. The fee is included in the investment management fee for the relevant investment option.

You acknowledge and agree that Sun Life may sub-contract investment management to an affiliate, such as SLGI, and may select underlying funds managed by Sun Life or affiliates of Sun Life. Any such proprietary or affiliated underlying fund manager may also charge a fee for its management services.

5.6 **Conflicts of Interest.** In carrying out its responsibilities for selecting, monitoring and removing investment options as described in this Section 5, Sun Life will not knowingly permit its interests to conflict with the interests of the SunAdvantage **my savings** RRSP or TFSA, except: (i) as may be disclosed to You; (ii) Sun Life's ability to charge fund management fees; and, (iii) to manage investment options and use SLGI (and affiliate(s)) of Sun Life or SLGI as sub-manager(s)) as described above.

5.7 **Monitoring; Additions and Removals.** Sun Life will monitor the lineup, and make changes to the investment options as it considers appropriate. If an investment option is to be added or removed, Sun Life will determine how to implement the change, including how and when to provide notice of the addition or removal of the investment option and

any mapping of assets from the discontinued investment option to the new investment option.

- 5.8 **Notice of Changes; Reporting.** Sun Life will provide You with advance notice of any changes to the lineup, unless changes are required before advance notice is practicable.

In benchmarking fund performance, Sun Life uses the Morningstar peer group database or such other universe of funds as Sun Life considers appropriate.

Monthly, Sun Life provides access to Morningstar's investment performance reporting.

- 5.9 **Member Communication.** Sun Life is responsible for providing notice to the Plan Members of the addition, removal or change of an investment option, any mapping of assets from the discontinued investment option to the new investment option and of any significant changes to the investment option (as determined by Sun Life). This responsibility is conditional upon Sun Life being provided by You or the Plan Members with accurate up-to-date contact information, including as required, a physical mailing address, for each Plan Member.

- 5.10 **Your Responsibility.** Despite the responsibilities of Sun Life that are set out herein relating to the selection, monitoring and removal as appropriate of investment options for Your Plan, You remain ultimately responsible as plan sponsor under applicable law and guidelines.

Investment options currently available for investment are listed in Section 19.

6 CLIENT SERVICE COMMITMENT

Sun Life asks, however, that You be willing to participate in subsequent discussions with Sun Life to determine how such dissatisfaction can be remedied. A request for payment under the client service commitment can only be made once in a calendar year and must relate to Services performed during that year. It does not apply to Services performed by agents on behalf of Sun Life nor by any other entities not party to this Agreement.

7 STANDARD OF CARE

In performing the Services under this Agreement, Sun Life will exercise the care, diligence and skill that a prudent financial institution would exercise acting in like capacity under circumstances then prevailing and shall use all relevant knowledge and skill that it possesses or ought to possess (the "Standard of Care").

8 UNAVOIDABLE RISK

Sun Life shall not be considered in default in the performance of its obligations, or be liable in damages or otherwise for any failure or delay in performance which occurs as a consequence of, or is attributable to, any circumstances which are beyond the reasonable control of Sun Life and are not avoidable by the exercise of reasonable effort or foresight by Sun Life. Without limiting the generality of the foregoing, such circumstances shall include natural catastrophe, labour, industrial or civil disturbances, armed conflict, government regulations (whether or not valid), Acts of God, market conditions, and delays caused by other parties.

9 LIABILITY

The liability of Sun Life to You for any claim, whether in contract, tort or equity, arising from this Agreement or the Services provided hereunder or the Policy shall be limited to the recovery of actual direct losses or damages incurred by You, the Plan, Members, former Members and the death beneficiaries or legally authorized representatives of such former Members. Sun Life shall not be liable for any indirect, special, incidental, punitive, exemplary or consequential damages or losses, including business losses or lost profits, incurred by You, the Plan, Members, former Members and the death beneficiaries or legally authorized representatives of such former Members, which arise out of this Agreement, the Services provided hereunder or under the Policy to the extent that this exclusion of liability is valid under applicable law, even if You have advised Sun Life of the possibility of same.

10 INDEMNITY

Subject to Section 9, Sun Life shall indemnify and save harmless the Plan, You and Your subsidiaries, affiliates and successors and their respective directors, officers, agents and employees acting in the capacity of sponsor of the Plan, Members, former Members or the death beneficiaries or legally authorized representatives of such former Members (collectively, the "Indemnified Parties") from and against any damage, loss, liability, judgment, costs or expense arising from any tax, penalties, claims, demands, actions or causes of action, including reasonable legal fees and expenses (collectively, "Claims and/or Losses") which may be made or brought against the Indemnified Parties and/or which any or all of the Indemnified Parties may suffer or incur as a result of, in respect of, or arising out of Sun Life's negligent performance or negligent failure to perform the Services under this Agreement, or under the Policy, as determined in accordance with the Standard of Care set forth in this Agreement except to the extent such Claims and/or Losses arise from any direction, notice or information that You provide to Sun Life, and which Sun Life, acting in good faith, relies upon or from Your failure to provide information to Sun Life including as it relates to Plan administration.

You shall indemnify and save harmless Sun Life and its subsidiaries, affiliates and successors and their respective directors, officers, agents and employees from and against any damage, loss, liability, judgment, costs or expense arising from any Claims and/or Losses, including reasonable legal fees and expenses, which may be made or brought against Sun Life and/or which Sun Life may suffer or incur as a result of, in respect of, or arising out of (a) the provision of a funding vehicle for the Plan by Sun Life and the related services unless such Claims and/or Losses arise from the failure of Sun Life to comply with its Standard of Care or (b) your failure to fulfil your obligations under this Agreement, including the Minimum Requirements Schedule.

The indemnities set forth in this Section shall survive the termination of this Agreement for a period of six (6) years, provided that the party seeking an indemnity shall give prompt notice to the other party of the Claims and/or Losses for which indemnity under this Section is sought, and where indemnity is sought as a result of Claims and/or Losses by a third party, shall give the other party an opportunity, at its sole expense, to resist, defend and compromise such Claims and/or Losses and shall provide reasonable cooperation with, and assistance to, the other party as may be necessary to properly defend such Claims and/or Losses. The expiry of the indemnity shall in no way affect Your right to make a claim within the limitation periods imposed by law for breach of the Standard of Care under this Agreement.

11 CONFIDENTIALITY

Sun Life and its employees shall not disclose to any third party, in whole or in part, any confidential information relating to this Agreement or the Policy without Your consent or the Member's consent if the information is related to a Member. This obligation shall not prohibit the disclosure of any information that is required to be disclosed under Applicable Legislation. Information which, at the

time of disclosure or later, is published or becomes otherwise available to the general public other than as a result of a disclosure by Sun Life, or which comes into Sun Life's possession from third parties who have a bona fide right to make such information available without restriction, shall not be considered confidential. This obligation shall survive the termination of this Agreement or the Policy.

Without limiting the foregoing, Sun Life agrees to collect, use, disclose and transfer personal information only in accordance with applicable personal information protection laws and its privacy policy for the purpose of performing the Services to be provided by it under this Agreement and the Policy. For certainty, Sun Life agrees to treat any personal information disclosed to it in accordance with its privacy policy, a copy of which can be found at sunlife.ca. For the purposes of this Agreement, "personal information" means any information that is provided to Sun Life in respect of this Agreement and/or Policy that is (a) personal in nature, (b) relates to an identified or identifiable natural person and (c) could reasonably be expected to determine the identity of the person.

12 PLAN COMPLIANCE

In respect of Services delegated by You to Sun Life under this Agreement and the Policy to which the Guidelines for Capital Accumulation Plans (the "Guidelines") apply, Sun Life agrees that it shall provide said Services in accordance with the Guidelines and with Applicable Legislation. In all other respects, You are responsible for ensuring that the Plan's administration complies with the Plan provisions, Applicable Legislation and the Guidelines. Sun Life will, if it believes that the Plan is not being administered in accordance with the Plan provisions, Applicable Legislation or the Guidelines, advise You of that belief in writing but Sun Life is not liable if it fails to do so.

13 RECORDS RETENTION

Sun Life shall retain records during the term of this Agreement and the Policy and thereafter for the period(s) stated in its retention policy, or as is required by Applicable Legislation, whichever is longer. This obligation shall survive the termination of this Agreement unless Sun Life makes arrangements with You, at Your cost and subject to our privacy policy, for the transfer of mutually agreed records in electronic form to You, or to a successor service provider appointed by You.

Despite the fact that Sun Life might be transferring some of the information to You upon termination of the Agreement, Sun Life may also retain any of the foregoing records (original or copy) in order to comply with its own obligations.

Subject to our privacy policy, You may request in writing that Sun Life provide certain historical Member records in a mutually agreed form. Historical Member records will be provided within a mutually agreed period of time and Sun Life shall be permitted to charge for such data as an Optional Service.
