

Which Sun Par for which Client?

With three different participating permanent life (Par) products, Sun Life offers Clients choices to meet their Par life insurance needs. All three products can be tailored to meet Clients' unique requirements, with innovative and cost-effective ways to maximize protection for their family and business, build tax-preferred cash values and increase the death benefit to keep pace with inflation. Clients can also choose from a wide range of features and optional benefits, further customizing their Par coverage.
