She needs to add her spouse to her plan.

Disability Consultation # 21,616

Catherine's fibromyalgia has kept her at home.
She needs the right support to be able to return to work.

“Thanks for helping Rebecca rediscover her beautiful smile. Corn on the cob never tasted so sweet.”

It's more than a group benefits claim. It's about a daughter who can finally smile with confidence because of you. At Sun Life Financial, we're here to help your plan members take care of what's most important to them. To always be there with the answers they need. You can count on Sun Life Financial to be there for your members and their families.

Every time. Every day. Always.

Life's brighter under the sun
