

## New Capability Allows Plan Members to Rate Paramedical Providers

Beginning August 22, your plan members will be able to rate their paramedical\* providers' service (from 1 to 5 stars) when submitting these expenses using the desktop version of mysunlife.ca.

Later this year, these ratings will be incorporated into an exciting new feature being added to the My Sun Life Mobile App, to help plan members find paramedical providers\*\* in their area.

Keep an eye out in the coming months for information on this latest digital solution to enhance the health and well-being of your members, making their life even brighter under the sun.

We have prepared a [plan member communication](#) that you can share with your plan members.

### Questions?

Contact your Sun Life Financial group benefits representative.

\*Paramedical including: chiropractors, physiotherapists, chiropodists, osteopaths, massage therapists, naturopathic doctors, podiatrists (except for surgery), psychologists, and acupuncturists

\*\*Sun Life has received a plan member claim within the previous 6 months for these providers
