

## Get #fraudsmart during Fraud Prevention Month

March is Fraud Prevention Month and we want to get you and your employees #fraudsmart

By participating in Fraud Prevention Month and getting your employees educated and informed, you are taking an important step to ensuring sustainability to your benefits plan.

We have a number of ways to get you and your employees engaged and educated, including a new look to our [Get #fraudsmart](#) campaign. This campaign demonstrates that fraud can happen to anyone, including plan sponsors, plan members and service providers. [Attached](#) is a printable poster you can share with your employees.
