

### Reminder - It's Fraud Prevention Month! Get #fraudsmart

Fraud Prevention Month is in full-swing and we want to get you and your employees #fraudsmart to help ensure your plan is protected from this growing problem in group benefits.

By participating in Fraud Prevention Month and by getting your employees educated and informed, you are taking an important step to ensuring sustainability to your benefits plan. As our campaign suggests, fraud can happen to anyone, including plan sponsors, plan members and service providers. Attached are printable versions of the below posters that you can share with your plan members ([poster 1](#) and [poster 2](#)).

Since launching our new campaign and the many enhanced resources we have to offer you and your employees, the response so far during Fraud Prevention Month has been very positive!
