Long-Term Disability

Claim Guide

Long-Term Disability (LTD) coverage provides benefits to you when you are disabled. This guide is designed to help you through the claim submission process and to answer any initial questions you may have with respect to filing a claim for Long-Term Disability benefits. Because every situation is unique, we treat each absence individually, and we're here to help in any way we can.

When we receive your claim. Your Case Manager reviews all the information received about your claim and the contract provisions. As part of this review, they look at:

- the medical information
- the impact your condition has on your ability to function and carry on your daily activities
- your occupational duties
- how your condition affects your ability to perform your occupation

As part of this review, your case manager will contact you by phone to discuss your claim. They may have some questions for you to better understand your condition, but this is also an opportunity for you to ask them any questions you may have about your claim. They may also need to contact your doctor and/or employer to ask some further questions or to obtain any missing information.

We'll let you know. The claims assessment process usually takes 10 business days after we receive all the necessary information. If your claim is approved based on your employer's LTD plan, your case manager will notify you and your employer by phone and in writing. If your claim is not approved, your case manager will notify you by phone and in writing and provide the reasons for the decision.

Sometimes, not all available information is submitted with a claim. When this information is needed for our assessment of your claim, your case manager will let you know what is needed as soon as possible. In order to prevent delays, it is important that you submit all medical information available with your claim.

Your information is confidential. We treat the information you provide to us as confidential. We only collect, use, and disclose information about you as outlined in the authorization you have signed on your Plan Member's Statement, or as permitted or required by law.

Reporting your absence

To apply for LTD benefits, you and your employer will need to send us a completed LTD form package. The package contains three forms:

A Plan Sponsor's Statement, which your employer completes and sends to us separately;

A Plan Member's Statement, which you must complete and return to our office.

An Attending Physician's Statement, which you take to your doctor to complete.

NOTE: Your doctor may charge you a fee to complete this form. If so, you will be responsible for paying that fee.

Complete the Plan Member's Statement

This statement provides us with information about your condition, how it occurred, your general medical history, and your expected sources of income and benefits while you're on leave.

- Be sure to answer all the questions in full to avoid delays when we assess your absence.
- Include a description of your job duties and resume with previous job experience and education history. You can include additional paper with the form if you need more space.
- Be sure that all dates provided (date you were first unable to work, date of accident, etc.) are correct since they are essential to our assessment.
- Provide the required document

 outlined in the "Automatic deposit of your disability payments" section if you would like to have your payments deposited into your bank account. For chequing accounts, we will require a personalized VOID cheque.
- Read and sign the Authorization which allows us to exchange information with your doctor and any other health care professionals who are involved in your care. Also, please sign Part 1 of the Attending Physician's Statement before giving the form to your physician to complete.

Have your physician complete the Attending Physician's Statement

There are three different Attending Physician's Statements provided, but only one completed Statement is required. Chose the Attending Physician Statement that best describes your medical condition and provide it to your doctor for completion. If you are unsure which one to use, take all three to your doctor and he/she will complete the most appropriate form. This Statement provides us with specific medical information about your condition and your expected recovery.

- The Attending Physician's Statement must include all the information requested about your condition. This form can be completed by your family doctor, a doctor at a walk-in clinic, a specialist, etc – any medical professional who is a doctor of medicine and that has treated you for your condition.
- If your doctor has conducted tests, a copy of the findings must be included with the Statement.
- If you have seen a specialist for your condition, be sure to have your doctor send us copies of all consultation and clinical notes with the Statement.

NOTE: Do not change or write anything on the Attending Physician's Statement. Any changes to the Statement must be initialed by your doctor.

Sending in your forms

- Follow up with your doctor (if the form was left with them for completion) and employer to confirm they have completed, signed and submitted their forms to our office.
- We recommend you submit the completed claim forms at least <u>eight</u> weeks prior to the first payment date of your LTD. This provides us with sufficient time to review your claim and make a decision well before the first LTD payment date.
- Send in your forms using one of the options provided on the last page of the Plan Member Statement.

Be sure your group Contract number and your Member ID number are clearly shown on your Plan Member's Statement and Attending Physician's Statement before submitting the forms to us.

If you are unsure, please contact your Benefits Administrator who will be able to provide you with this information.

FAQs

We want you to feel comfortable with the Long-Term Disability claims process. This Frequently Asked Questions guide is designed to help you understand more about the process, from claims submission through to your recovery.

What does plan sponsor mean? The term 'plan sponsor' is another name for your employer, the policy holder or the contract holder for your plan.

What are my Contract and Member ID numbers? The Contract number refers to the document that outlines your plan sponsor/employers benefits plan with Sun Life Financial. The Member ID is the number used to identify you specifically. These numbers can be found on your coverage or enrollment summary or in your employee benefits booklet.

How do I choose the most appropriate Attending Physician's Statement? You have been provided with three different Attending Physician's Statements. Only one needs to be completed based on the nature of your medical condition and submitted with your claim. Ask your doctor to complete the form that is most appropriate for your condition.

Why does my doctor need to fill out the Attending Physician's Statement? The Attending Physician's Statements have been designed to ask your doctor for information that will help us understand the nature of your condition and how it impacts your functional abilities. If your doctor provides only part of the information requested, or a brief note on a doctor's prescription pad, we may not have all the information needed to assess your request for benefits. This will potentially delay a decision on your claim.

What does Waiver of Premium mean? Some Group Disability plans provide for coverage that waives the premiums required for certain benefits while you are entitled to Disability benefits under the plan. This means that for the period you are considered totally disabled under the plan, you or your employer will not need to pay the premiums for the coverage of these benefits. Your Benefits Administrator would be able to confirm if your plan has Waiver of Premium coverage. If your plan does contain this coverage, and you are submitting a claim for Long-Term Disability benefits, a claim would automatically be made for any Waiver of Premium benefits that you may be eligible for. You will be advised of the status of your entitlement to the Waiver of Premium benefit along with the status of your LTD claim.

How are my benefits calculated? Disability benefit payments are usually based on a specific percentage of your monthly earnings at the time you become disabled. The benefit amount under your plan is specified in your employee benefits booklet.

If my claim is approved, when do my payments start? Your disability benefit payments will be paid from the day following the completion of the elimination period. The elimination period is outlined in your employee benefits booklet. If this date is in the past, then payment will be made back to this date, for the retroactive amount owing.

How and when are payments made once the claim is approved? If you would like to have your benefits deposited directly into your bank account, the Plan Member's Statement outlines what information is needed in order to set this up - see *Automatic deposit of your disability payments*. Don't forget to review this section and provide the required documentation. For chequing accounts, we will require a personalized VOID cheque. NOTE: There may be a delay in payment if a scheduled payment falls on a holiday.

How long will I receive disability payments? For LTD, you will continue to receive disability benefit payments as long as you meet the definition of total disability as defined in your employee benefits booklet and satisfy other obligations (such as pursuing appropriate treatment) as also described in your benefits booklet. Generally speaking, we consider whether you are 'totally disabled' from your own occupation for a defined period of time following the elimination period. After this period of time, we then consider whether you are 'totally disabled' from any occupation. In the event that you remain continuously and totally disabled, benefits do not continue indefinitely. Your benefits booklet will refer to other critical dates relating to when your benefits end, including the date on which you reach age 65, retire, or die, whichever occurs first. Please consult your employee benefits booklet for the specific details of your plan.

What are my responsibilities while I receive disability benefits? While you are in receipt of disability benefits, we will talk to you about returning to work, at the appropriate time. We expect that you will participate in these discussions, and return to your own occupation as soon as it is safe and healthy for you to do so. If it becomes apparent that you will not be able to return to your own occupation, you will be expected to consider any reasonable offer of modified work with your employer and/or participate in any training required to qualify for an alternate occupation.

Once I've been approved for benefits, how often is medical information requested? A clear understanding of the progress of your recovery is considered essential in preparing for a potential return to work. Periodic updates on your medical condition and functional status help us determine your progress. The frequency of status reports will be determined by the unique circumstances of your claim, your medical condition and treatment plan. We will follow up with you and your treating doctor(s) by telephone or mail. Your Abilities Case Manager will work with your doctor and Sun Life's Health Partners to ensure you are receiving appropriate treatment. In some cases, we may require that you undergo an independent medical exam to get more information. We will arrange the appointment and give you adequate advance notice. (We will provide a copy of the results to your treating doctor.)

When would benefits not be paid? Benefits may not be paid if you:

- are not considered totally disabled
- are not receiving or following appropriate treatment as recommended by your treating doctor
- are on leave of absence, strike or lay-off, except where Sun Life specifically agreed to the continuation of coverage or may be required to by law
- are absent from Canada due to any reason, except where Sun Life specifically agreed to the continuation of coverage or as required by law
- complete any work for wage or profit except as approved by us
- serve a prison sentence or are confined in a similar institution

Please consult your employee benefits booklet for the specific details of your plan.

What if I receive income from another source? How will that impact my benefit? Your employer's LTD plan may indicate that your disability benefit payments are reduced by payments received from other sources, such as Canada Pension Plan (CPP), Quebec Pension Plan (QPP) and Workers' Compensation for the same or subsequent disability. Your benefit payment will not be reduced by income you receive from an individual disability plan. A retroactive award from another source may reduce your disability benefit payments and may result in an overpayment. If this situation occurs, you are expected to reimburse the amount overpaid.

Does Sun Life share medical information with my employer? No. All medication, diagnosis and treatment information obtained by Sun Life concerning your health is strictly confidential and not shared with anyone at your employer unless specifically outlined in the authorization you have signed on your Plan Member's Statement. We do not share medication, diagnosis and treatment information with your manager or Human Resources department at work.

What if I return to work with some restrictions? Your Abilities Case Manager will work with you and your employer to develop a return-to-work plan that accommodates what you are able to do. Your return-to-work plan could include, for example, a gradual increase in hours and/or modified duties. Should your return to work require specific vocational expertise, we may involve one of our Health Management Consultants to assist with planning your return to the workplace. We will contact your doctor to ensure he or she is aware of the plan before it begins. Once you're back performing the essential duties of your occupation, full-time, Sun Life is usually no longer involved.

Will I receive a tax slip? A tax slip will be issued if the disability benefit payments you receive are taxable income. Tax slips are mailed by the end of February every year, for the previous tax year. If you are unsure if the disability benefits payments you receive are taxable income, please contact your Benefits Administrator.

^{*} This guide is not intended to replace or amend your employee benefits booklet. If there are any discrepancies between your employee benefits booklet and the information in this guide, the group benefits booklet will take priority.

11 Automatic deposit of your disability payments (This service is subject to the approval of your claim.)

We offer you, for your convenience, the option of your benefit payments being directly deposited into your account at any bank, trust company, caisse populaire or credit union in Canada. If you would like to have your payments directly deposited into a chequing account we require a personalized void cheque with your name pre-printed on the cheque. Please check with your Benefit Administrator to determine if this option is available to you.

If you do not have a chequing account, you must provide a direct deposit form or bank verification statement from your bank branch. This form must be provided by your bank, trust company, caisse populaire or credit union in Canada, and be signed and stamped by a banking representative. If your bank provides an online direct deposit form, pre-populated with your banking information, this can also be submitted. These forms must contain your name, the Bank Number, your Branch Number and Account Number to facilitate your benefit payment being deposited directly into your account.

14 Respecting your privacy

Respecting your privacy is a priority for the Sun Life group of companies. We keep in confidence personal information about you and the products and services you have with us to provide you with investment, retirement and insurance products and services to help you meet your lifetime financial objectives. To meet these objectives, we collect, use and disclose your personal information for purposes that include: underwriting; administration; claims adjudication; protecting against fraud, errors or misrepresentations; meeting legal, regulatory or contractual requirements; and we may tell you about other related products and services that we believe meet your changing needs. The only people who have access to your personal information are our employees, distribution partners such as advisors, and third-party service providers, along with our reinsurers. We will also provide access to anyone else you authorize. Sometimes, unless we are otherwise prohibited, these people may be in countries outside Canada, so your personal information may be subject to the laws of those countries. You can ask for the information in our files about you and, if necessary, ask us in writing to correct it. To find out more about our privacy practices, visit www.sunlife.ca/privacy.

Attending Physician's Questionnaire Claim for Long-Term Disability Benefits

Please complete this form based on your patient's current medical condition. The information you provide will assist Sun Life Assurance Company of Canada (Sun Life) to understand your patient's condition, treatment, prognosis and potential for recovery. Thank you for your time and cooperation.

Please note that any reference to Attending Physician (doctor) also refers to Licensed Physician or Nurse Practitioner.

NOTE: There are three Questionnaires included in your patient's LTD package – Mental Health, Musculoskeletal and one for other conditions. Only one form needs to be completed. Please choose the form most appropriate for your patient's condition. Your patient is responsible for any cost associated with the completion of this form.
